"giving Hope, Restoring Hope to Widows & Orphans"

ABOUT RAEF

Rock of Ages Empowerment Foundation was founded in 2007 and registered as a corporate body on the 23rd June, 2009 under the Companies and Allied Matter Act, (Part 'C') 1990 of the federal Republic of Nigeria. We owe and carry out free medical treatment; free education support programs, youth and widows empowerment.

The Rock of Ages Empowerment Foundation believes in restoring hope, giving hope to the widows and orphans and in so doing, the foundation uses her yearly international widow's day celebration to empower widows who were trained on different skills and also provide scholarship to the orphans.

The foundation carries out research, training, outreaches and public educational campaigns about the needs for widow's empowerment, orphans and other vulnerable groups in the society. It is committed to its mission of transforming the lives of the underprivileged individuals through quality education, good medical treatments, and financial support, regardless of age, gender, race, religion or financial status. We deliver in the following areas

A Education:

Rock of ages empowerment foundation aim at reducing illiteracy in Nigerian rural communities, engage in education supports programs such as distribution of books, school uniform, bags, and laboratory equipment etc to primary and secondary schools. We advocate for the need for Girl-child education at least to secondary school level. We provide scholarships to children of the widows and the less privileged in the society.

B Health:

We are focusing services on vulnerable groups such as women and children in the following areas; Routine free medical outreaches to complement the efforts of the primary healthcare services; HIV/AIDS and other diseases awareness, prevention and care services; Health education to pregnant women (PMTCT) in the rural communities; Health

advocacy and promotion program; Medical check-up for aged men and women and various training on Personal Hygiene and disease prevention

C Empowerment:

We provide skill acquisitions training, capacity building and development for widows and youths, financial supports, financial management training as well as provision of foods, clothing and shelter.

D Agriculture:

In the area of agriculture, we providing training to widows farmers in crop production, management and marketing; formation of farmers (widows) into Clusters; we provide capacity building in the areas of leadership, cooperation and record keeping, link the farmers to stakeholders forum and build capacity in the areas of gender and family budgeting

E Career Counseling:

In career counseling, we are developing the self-awareness of the students/ clients; provide professional course information for higher school leavers; provide labour market information for graduates and help clients in making decision and setting goals assist them in planning for job search.

ACHIEVEMENTS

RAEF has singlehandedly transformed the lives of over 10,000 widows and 4,000 orphan children, through skill acquisition trainings, financial empowerment, monthly medical check-up and payment of school fees for orphan children without any external source of income. We are being moved by the plight of the vulnerable and are committed to pulling resources together towards giving a helping hand.

Our activities are growing everyday as we continuously identify areas of need in the society. We call on men and women of goodwill, Nigerians and International Partners to join us in challenging the ugly trend of poverty, diseases, marginalization, domestic abuses, illiteracy and neglect and give succor to the less privileged with grants and other financial assistance.

OUR VISION

A world where every widows, orphans and the less-privileged have access to good healthcare services, quality education and financial empowerment.

OUR MISSION

Helping widows, orphans and less privilege discover their potentials and supporting them in making changes to bring these potentials into the world by providing high quality, sustainable and replicable healthcare services, education support program and financial empowerment.

OUR VALUES:

Innovation: We are ever curious to learn new things and adapt to changes that will improve the quality of our work.

Service to Humanity: We are committed to helping others overcome life obstacles and challenges.

Empowerment: We seek to equip others with knowledge, skills and funds needed to realize their full potentials.

Partnership: We believe in partnership with like mind people, government agencies, Organized Private Sector (OPS), INGOs, CSOs and other interest groups.

Accountability: We are open and responsible to one another, our partners, funders and the clients we serve.

Gender: We take into considerations the needs of women and youths during service delivery and we continuously work to promote gender equality.

Excellence: We are resolute in our search of quality to deliver results and build lifelong impact in our society.
